

**PTA Meeting Agenda
MacArthur Elementary School
Thursday April 9, 2026**

Welcome & Overview

- Quick review of March Meeting -
 - Approve March Meeting Minutes – Michelle made motion, 2nd by

Treasurer's Report

- Financial update – Jackie not present but budget is posted, not a lot happening in March

Events & Committees

- **Event Recap:**
 - Bucks Game – players were instructed to be more interactive and kids absolutely loved it. A huge thank you to Jackie for taking such wonderful photos.
- **Upcoming:**
 - Yearbook Update- sold over 200 yearbooks, have received a lot of messages that people have missed. Will be reopening for another week starting 4/10-4/17. Don't have records from past. This will be a good data point for us.

- Golden Guest Lunch – will be completing setup tomorrow after school. If anyone wants to help, come on in! Questions about Raptor System and helping office staff who are so new. How can we help make this run smoothly? Previously done by Meg. Have spreadsheet with the information needed. Carol and Crystal can certainly help, let's do as we have in past for now. Sarah will send list over Friday morning right away. As long as people have IDs they will still be let in and just need to get registered onsite.

How can we not clog up the lunch lines and not have them weave through seating? Katie and Lauren will connect with Mr. after. Still a few volunteer slots open if anyone has time to lend.

- Book Fair – set up and ready to go. Teacher preview starts tomorrow and will continue with students starting in the afternoon. Have some needs for volunteers yet, especially Thursday with Golden Guest.
- Teacher Appreciation Week
- 5th Grade Farewell - June 4th
- 5th Grade Field Trip – May 20th: teachers were looking at coach buses, We still need date and monetary amount needed so that we can vote to reallocate the money.
 - Bus: \$2481
 - Admission: \$791 if paid by 4/22
 - Motion made to rename Shedd Aquarium line item to 5th Grade Science Field Trip. Motion made by Sarah Kneisler, 2nd by Terra
- Restaurant Fundraisers: Got check from Zupas, only \$70. Better than nothing but it fell through
 - 4/27: 4-8pm, ordering via mobile app only. Sent social/flyers to pta email just a bit ago. If we can get these out that would be great.
 - A great year for fundraisers overall!

- School Supplies – needs to get final lists to School Toolbox in April. Jessica will connect Lauren with Carol so that they can quick get it out next week and turn it around within the week? Ideally PTA will pick up the boy/girl options, whole class sets of scissors, rulers, etc.
- **Big Events:**
 - Fun Run – Emily: website is done and ready to go, just need to run it though and get ok to launch. Brie has shirt lists, staff will only get new if they need one.
 - \$3100 in sponsorships
 - Any extra will go towards prizes and event
 - *Meeting at 8pm after the general meeting*
 - Teacher Appreciation Week
 - Theme TBD
 - *Meeting at 8pm after the general meeting*
 - 5th Grade Farewell
 - *Meeting at 8pm after the general meeting*
 - *Steve made aware he is emcee*
 - *Due date for photos is next Friday, 4/17*
- **Other:**
 - Open roles for election
 - VP – Lauren willing to stay on
 - Treasurer – Emily and Rachael both interested
 - Non-board role: Marketing/Communications Person
 - [2026/2027 Volunteer Positions - Google Sheets](#)

Open Floor

Principal/Teacher Q&A

- Updates from Mrs. Imig/Mr. B
Mr. B:
 - Carol with us until end of the year. Will be transitioning to new district position. Finishing up testing
 - This month's word is courage. Wants kids to go home and learn and try something new independently (*must work with and get clearance with adults in the house): examples: walking dog alone, having a lemonade sale
 - In stretch to the end of the school year. There is an excitement in the air of being back from break and nicer weather.

Closing

- Next Meeting May 14th, 7pm
